Verification of Weight of Loaded Coal in Wagons

99. SHRI SARADA MOHANTY :
SHRI CHIMANBHAI MEHTA:
SHRIMATI MIRA DAS :

Will the Minister of RAILWAYS be pleased to state :

(a) whether Government propose to provide the rechecking faciiity to verify weight of the loaded coal in wagons for which Railway receipts are issued ; if not, the reasons therefor;

(b) whether Government have considered insurance cover from Collieries to destination for coal transhipment; if not the reasons therefor;

(c) whether it is a fact that huge quan tity of coal is poured with High velocity into wagons and the instant weighing is 20 per cent higher than the actual; and

(d) whether the Railways have changed weighment point few kilometers away from the loading point ?

THE MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI MALLIKARJUN): (a) Consignors, in loading are required not to exceed the permissible carrying capacity of the wagon used. While cent percent check of weight of loaded wagons at the originating points is not possible for operational reasons, sample checks are conducted enroute or at destination to detect cases of overloading of wagons.

(b) No, Sir. Coal can be booked at 'Railway Risk' Rates, on payment of prescribed tariff.

(c) Coal loading is done in the Colliery sidings by staff of Collieries and is not supervised by the Railways.

(d) While weighbridges provided by the Collieries are located at close proximity to the loading points, weighbridges provided by the Railways are located taking into consideration the suitability from the operational point of view. Two Railway Weighbridges at Bhaga and Mohuda on South Eastern Railway have been closed due to inadequate coal traffic. Consequently, distances between some coal loading and weighment points have increased.
